

## 2020 DISTRICTS PLAYER AGE GROUPS (BOYS & GIRLS)

All players must try out and play for their Age Group.

These are the US Soccer/USYS Age Groups from the 2019/20 soccer year.

<b>Age Group</b>	<b>Born In</b>
11U	2009
12U	2008
13U	2007
14U	2006
15/16U	2005, 2004
17/18/19U	2003, 2002, 2001

The age group “label” will be determined by subtracting the year in which the players participating in the competition were born from the year in which competition ends.

**Note:** 10U players (Born in 2010) will be permitted to tryout and play with 11U only if there are not enough 11U players to complete a team. These players will be waitlisted pending notification from the coach. 10U players who are placed on a team will be required to tryout for the 11U team the following year if they plan to play again.
