Welcome to the 2021 MTOC

Sportsmanship

Qualifying for the Massachusetts Tournament of Champions (MTOC) is a tremendous achievement. This tournament brings together nearly 200 teams, each of which have worked hard all spring to earn the honor of representing their league. Your MTOC Committee is delighted to host some of the finest teams from across the state. We are expecting nearly 4,000 players and coaches and we hope that your individual and collective soccer experiences will be both pleasurable and memorable. We pride ourselves on a tradition of high quality competition and a high degree of sportsmanship in this tournament. We look forward to having you participate in such a rich tradition.

We recognize that in the heat of competition emotions can run high. We sincerely hope that all participants, including players, coaches, and spectators, will maintain a balanced perspective and recall the purpose of the tournament. We are here for the growth and development of the state's top players, both as soccer players and as young people.

Sportsmanship is an important part of the Massachusetts Tournament of Champions.

Respect for fellow players, coaches, spectators, and referees is a value we hold in high regard. In each division of play in the tournament, one team may earn recognition with the MTOC Sportsmanship Award.

Each of the MTOC leagues provides volunteers to assist in the process of determining the Sportsmanship Award winners. Each of these volunteers have been involved with youth sports for a number of years and are known throughout their town leagues to set the highest standards of sportsmanship.

Additionally, each referee crew will be providing input to the Sportsmanship Committee. The volunteers and referees will be looking for consistent displays of good and sporting behavior on the part of players, coaches, and parents. Likewise, they will be noting the occurrence of the opposite type of behavior—players who resort to fouls in an attempt to gain an advantage, coaches who berate or badger their players, or fans who shout at opposing players, referees, or even their own players.

Recognizing good sportsmanship is simple. We all know it when we see it and we are often painfully aware when it doesn't exist. We hope to select a winner from each division of play, but the Sportsmanship Committee will not select a winner unless the honor is truly deserved.

COVID-19 Protocols

The Massachusetts Tournament of Champions will follow all Massachusetts Youth Soccer Association COVID-19 protocols which are based on Commonwealth of Massachusetts Governor Orders, Department of Public Health Guidelines and Energy and Environment Affairs sector specific Guidelines for Youth and Adult Amateur Sports Activities.

All players, coaches, administrators, parents, spectators and any visitors to the tournament **must comply with all established COVID-19 Protocols**. The protocols are available on the Mass Youth Soccer website (www.mayouthsoccer.org) on the COVID HUB page.

Directions

This will be the thirteenth Massachusetts Tournament of Champions held at the spectacular **Massachusetts Youth Soccer Fields at Progin Park** in Lancaster, MA and we've again made some improvements from last year.

Directions to and Parking at the Fields at Progin Park

The Massachusetts Youth Soccer Field Complex is located at 512 Old Union Turnpike, Lancaster, MA 01523. The field complex is best reached by connecting with Route 2. All of the major interstates (I-95, I-495 and I-190) intersect with Route 2. Please check a map to determine the best interstate to use to connect with Route 2. For more detailed directions go to the link on our website listed below.

Please note: Not all mapping websites or GPS devices give accurate directions to our complex.

http://www.mayouthsoccer.org/progin_park/directions/

Massachusetts Youth Soccer has two parking areas that provide ample parking for all of our events at the **Massachusetts Youth Soccer Fields at Progin Park**. Visitors **MUST** know which field their player is playing on. This enables visitors to park in the parking area designated for their player's specific field. The appropriate parking areas are designated by signage throughout the complex and by parking attendants on duty.

- Visitors going to the Lower Fields (Nos. 1-10) **MUST** park in the Main Lot. If this lot is full we will direct you to the Quarry lot that has ample overflow parking. Courtesy carts provide ongoing service for any people needing transport from the back lot to the front fields.
- Visitors going to the Upper Fields (No. 11-16) **MUST** park in the Quarry Lot located behind Fields No.11-16.
- At all times Visitors must comply with the directions of Massachusetts Youth Soccer parking attendants.
- Any vehicle parked in an unauthorized area **WILL BE TOWED** at the owner's expense.
- All on-site parking is limited to passenger cars or vans. **ABSOLUTELY NO RVs or BUSES.**

Massachusetts Youth Soccer has worked diligently to meet the needs and wishes of our visitors. The convenience and comfort of all of our visitors depends entirely upon everyone's cooperation in parking where they are supposed to. Please help us make everyone's visit to our complex as safe, convenient and enjoyable as possible.

IMPORTANT NOTE: DROP OFF ZONE CLOSED. The Lancaster Police Department will absolutely not permit cars to stop and unload, park or make any U-Turns, on Route 70 adjacent to the front fields. Stopped traffic presents an extreme risk to anyone using Route 70 and these restrictions will be strictly enforced. **Again the DROP OFF ZONE on Route 70 is CLOSED with an eight-foot fence.**

Tournament Rules and Procedures

Congratulations to all of the teams participating in the **36th Annual Massachusetts Tournament of Champions** and a tradition of high quality competition and a high degree of sportsmanship. Qualifying for the MTOC is an achievement of which all participants should be extremely proud and each team should be extremely honored to represent their league. MTOC is founded on the observance of the Spirit of the Game. Sportsmanship, fair play and respect for fellow players, coaches, spectators and referees are values we hold in high regard.

The following information should answer most of your questions regarding the logistical details for teams and coaches and the actual playing rules of the tournament. Full details on the 'Rules of Play' are also located online at www.mayouthsoccer.org. The website should be your first point of inquiry for any questions related to the MTOC weekend, especially in the event of game rescheduling due to weather.

Each league is required to fill slots that are assigned to them as of June 1st for MTOC. Failure to fill a slot or complete the assigned schedule will result in a fine to the league of \$1,000 per slot.

Team Registration and Check-In

Many teams will be registering at the same time and the tournament staff will do their best to make the process proceed as efficiently as possible. Understanding, and preparing for, the following processes will be most helpful to a speedy check-in process:

Friday & Saturday (preliminary round games) Teams playing on the back fields (#11-16) will register at the back fields. All other teams will register at the Pavilion by the turf fields.

Coaching staff:

- Coaches must check in at least 30 minutes before their first game of the day
- Will check in at the registration desk, not the players.
- Coach/Team Administrator will provide 1 printed roster, approved by their league/club registrar, per game.
- Rosters: Rosters must be typed with players in alphabetical order and must be completed to show the jersey number of each player.
 - Rosters eligible for MTOC play are frozen as of May 24 for all teams
 - Signed or stamped by your league registrar
 - No more than three (3) out-of-state players are allowed on a team's roster
- Pass Cards and/or Photo Rosters: Pass Cards: Each player must have a current pass card, appear on a league signed photo roster, or on a sheet of player pictures attested to by the League/Club Registrar.
- All Coaches will show their MA Youth Soccer Credential and have an MTOC 2021 sticker affixed to it.

If these criteria are not met, the player or coach may be declared ineligible.

Registration staff:

- Will compare this roster to the frozen roster submitted by the league president. There must be no more than 22 players on the roster. Guest players are not allowed. Players that will not be participating will be crossed off the roster.
- Registration staff will affix an "MTOC Verified" sticker on it, sign it, and print the date.

Field/Referee Check-in:

- Teams with Head Coach must hand the referee a copy of their MTOC Verified Roster, signed by a Tournament Registration Administrator prior to all matches at the time the referees check in the teams. For age groups playing 11v11, Team Roster may have up to a maximum of 22 players.
- Referee to take and keep the roster until the end of the game.

- At the end of the game referees verify the score with the opposing coaches and obtain their initials on the game scorecard.
 - Referees turn in the roster along with the coach initialed Game Scorecard.
 - Games will not be delayed for late arrivals. Teams unprepared for their starting time will be subject to game forfeiture. Teams will be subject to a forfeit if not ready to begin match with at least 7 players within 10 minutes of scheduled start time.
- A. All League Administrators, Team Coaches, Town Program COVID Safety Officers and Team COVID Coordinators will be issued a tournament sticker to be applied to their official MAss Youth Soccer Adult Credential. These Adult Credentials with stickers are required in order to gain access to the sideline coaching areas. Do not leave your Adult Credential in your car. If a team's official team roster only provides space for the names of two (2) coaches and you intend to have a third coach on the sidelines, this individual must be registered with Massachusetts Youth Soccer, have a currently valid Mass Youth Soccer Adult Credential and the tournament sticker specifically identified to the Registration Staff during the team registration process. Mass Youth Soccer Adult Credential with the tournament sticker must be worn in the game bench areas.
 - B. Uniforms. Players must be in full matching team uniforms and be ready to play at the Referee/Field check-in.
 - C. Failure to supply rosters and/or players cards will result in the head coach being suspended for each game that the documents are not available. If the information is not available prior to the completion of the game, the game will be recorded as a forfeit.
 - D. In affirming the importance of providing community-based soccer opportunities for youth players, roster composition of MTOC-eligible teams from member leagues will conform with the following standards:

For Grade 8 and younger: To be eligible for MTOC play, at least 75% of the players on a town's/club's submitted roster must be from that same league's recognized town/club organization. The Leagues Committee must approve any exceptions to this requirement.

For Grade 9 and older: recognizing that the difficulty in forming teams increases as the player becomes older, town organizations/clubs may collaborate to create appropriately competitive soccer opportunities where they might not otherwise exist.

In every instance, these collaborative teams must:

- be registered with a member town/club organization of the league they are representing;
- completely adhere to the Leagues Committee intra-league and inter-league player movement agreements;
- play a regular league schedule within a MTOC-affiliated league;
- have 75 percent of rostered players come from within the sponsoring league; and,
- Ensure all players are properly affiliated with the state association.

The Leagues Committee must approve any exceptions to any of these requirements.

Uniforms

- 1) Players' uniforms of matching color and style shall consist of the following:
 - a. A soccer jersey with visible, legible numbers that match the players listed on the roster.
 - b. There shall be no numbers duplicated on any roster or team.
 - c. Soccer shorts of matching color and style
 - d. Socks that match each other and those of their teammates
 - e. Pair of soccer shoes. No "spikes" will be permitted.
 - f. Shin guards are mandatory. Players will not be allowed to check-in or play without them.
 - g. Matching uniform details are of tremendous importance in assisting the officials of the games. If the game involves two teams with similar jersey colors, the HOME team will wear alternate colored jerseys (or mesh pinnies that allow the player number to be discernible). The home team is the team listed first on the schedule. The referee shall have final authority on color conflicts.

- 2) Please note that players shall not be permitted to wear the following:
 - a. Cut off shorts
 - b. "Jams"
 - c. Spandex that does not match the color of the players' shorts
 - d. Boxer shorts
 - e. Jewelry (string bracelets, barrettes, hairpins, earrings, hair beads, etc.)
 - f. Casts, hard splints, hats, hard protective headgear or unprotected braces
 - g. Unnecessary face, hair, or body painting or other offensive displays
 - h. Tournament officials will inspect each team during the check-in process, giving special attention to potentially dangerous items (casts, hard splints, jewelry, faulty cleats) as well as assuring that protective items like shin guards are in place.
 - i. In all instances, the Registration staff cannot allow anything to be worn that might injure the player or an opponent on the field. Any items involving interpretation will be referred to the Tournament Director (or the Director's designee) and the judgment of the Tournament Director will be final.

Semi-finals and Finals

Teams playing on the back fields (#11-16) will register at the back fields. All other teams will register at the Pavilion by the turf fields.)

- a. **ALL coaches must check in at least 30 minutes before each game on Sunday. Check-in of the players will be by the referees at the field.**
- b. Final Four t-shirts will be distributed at registration to the coaches
- c. All other procedures remain the same for each respective age groups

Late Registration (for all games)

- a. Later Players will be checked in at the scheduled field.

Game Logistics

1. **Weather Delays.** In the event that a portion of the game schedule is suspended due to weather (or for any other reason), the following rules will apply:
 - a. In the event of a stoppage, games that have completed a half, or are in the second half, will be deemed completed and the score at the time of the stoppage

will stand.

- b. In the event of a stoppage, games that are in the first half will be replayed in their entirety (both halves), subject to time and field constraints of the tournament.
- c. In the event of a stoppage, the Tournament Committee and the Referee Director will determine when it is safe to restart play. Games will resume on the original schedule with the next scheduled time slot due to play. (i.e. if it is safe to play at 3:45 PM, games will recommence with those teams regularly scheduled **for 4:00 PM.**)
- d. Games with the first half not completed, or games not played due to stoppage, will be rescheduled in available time and field slots. Specific details will be available at scoreboards, online, and the registration area.

2. School Delays

- a. Teams may have to play 3 games in 1 day due to some schools still being in session.

3. **Team Benches.** Both teams will be located on the same side of the field. Spectators will be located on the opposite side of the field. Only the players and up to three (3) coaches per team are allowed on the team side of the field. **Coaches must wear their stickered MASS YOUTH SOCCER coach's credential on the sidelines** so referees and tournament officials can easily identify them as team representatives.

4. **Substitutions.** Substitutions are unlimited. Both teams may substitute on a goal kick, after a goal and at half time. As to throw-ins, however, only the team in possession has the initial option of substituting, but if it does make a substitution, the opposing team may substitute as well. Substitute players must be ready **at midfield** and substitutions are made only with the referee's consent. If a game is stopped to allow for substitution for an injured player, the opposing team may also substitute as well on a one-for-one basis.

5. **GRADE 6 Goalkeeper Distributions.** In GRADE 6 matches, the goalkeeper's distribution may carry the full length of the field, but it cannot go directly into the opponent's penalty area in the air.

6. **Game Time – Round Robin.** All preliminary round robin games will consist of 25 minute halves with a 5-minute halftime. Game time is kept by the referee and is running time, with no allowance for injury time. There will be no overtime periods in the preliminary round of play and all teams must be ready to play at their appointed time.

7. **Playing Surface.** Assignment of playing surfaces (either grass or synthetic) is at the sole discretion of the Tournament Committee and is not subject to discussion, protest or appeal.

8. **Change in Length of Games.** Should conditions warrant, the length of games is subject to change by the Tournament Committee. Coaches will be notified before the start of the half in which such a change is made. In the event of unsafe conditions, a game may be terminated at any point by the referee.

9. There will be a spectator line (a line about 1-yard outside the touch line) on the spectator side of the field. Spectators must stay entirely outside this line. This area is for the Assistant Referee so that he/she can run his/her side of the field and see the touchline on the other half of the field.

10. There shall be **NO PETS** of any kind allowed in any portion of the field complex. Documented Service animals are allowed after checking in at the Pavilion with Tournament Officials and being issued a Service Animal Permit.

11. **TENTS or CANOPIES** are **NOT allowed** at the Massachusetts Youth Soccer Facilities this year.

Game Conduct during MTOC

1. Players, coaches and spectators are expected to conduct themselves within the letter and the SPIRIT of the game and its regulations. The MTOC Committee expects all players, coaches and spectators to uphold the spirit of ZERO TOLERANCE policies. Displays of TEMPER or DISSENT by word or action against opponents or referees are cause for ejection from the match, suspension from the MTOC and/or EJECTION from the Fields at Progin Park.
2. No player ejected (red carded) may re-enter that game, nor may the player have a substitute. The ejected player must also remove him/herself well away from the general area of the game field. Players under the age of 18, must be accompanied by an adult while away from the field. It is the responsibility of the team's coach(s) to enforce this. Any player ejected from a game will be ineligible to appear until after the completion of the team's next game. Kicks from the mark Tiebreakers are not considered games.
3. If two red cards are assessed to a team in one game, that team will forfeit the game. The Tournament Committee will determine whether further action is warranted.
4. Coaches receiving an EJECTION (Red Card) for any reason will be SUSPENDED regardless of the number of teams coaching for the REMAINDER of the Tournament.
5. Each coach is responsible for his/her spectators' behavior. Coaches should inform their spectators of the rules (i.e. behavior, spectator line, etc.). Each coach is expected to monitor his or her spectators and take corrective action if necessary. Each coach is expected to support the referee or tournament official if action against a spectator is required. Failure to comply may lead to EJECTION.
6. PROTESTS: Any protest must be in writing and submitted to the MTOC Tournament Chair (located at the registration pavilion) along with a \$250.00 cash protest fee. The protest must be filed within one hour of the completion of the match in question. The protest fee of \$250.00 will be returned if the protest is upheld.

Advancement to Final Four (the Semi-Finals)

1. Official Scores. The **official scores** will be posted **online**. The Coach of each team shall be responsible for checking online scoreboards to determine if their team is advancing to the semifinals, and to obtain their scheduled time and field location.
2. Divisions with 3 Groups. In divisions of competition with three (3) groups of teams, the winners of each preliminary round robin group of play together with a "Wild-Card" team will advance to the Final Four (Semi-finals). Wild-Card team will be that team with the best record of those teams not qualifying as group winners.
3. Divisions with 2 Groups. In divisions of competition with two (2) groups of teams, the winners and runners-up in each group of play will advance to the Final Four (Semi-finals).

4. **Tie-Breakers.** The determination of order of finish will be made according to the following procedures:
- a. Points earned in round robin games (3 points shall be awarded for a win, 1 point will be awarded for a tie);
 - b. Head-to-head results. However, in the event of a three-way tie within a section, the head-to-head results tiebreaker will not be considered (or awarded);

1. All semifinal and championship games shall be 30 minute halves, with a 5 minute half-time interval.

Overtime periods will only be played in the semifinal and championship rounds of play. All overtime periods will conform to current IFAB rules and games that go into overtime will no longer be decided by a "golden goal." Overtime in all age groups will consist of two (2) 5-minute overtime periods. Both overtime periods will be played in their entirety.

2. If teams remain tied after regulation and overtime play, 'kicks from the mark', following regular [IFAB penalty kick procedures](#), will be used to determine a winner. These will take place immediately following the completion of overtime play.
3. Due to COVID restrictions, Gold and Silver Medals will be presented to the team coach at the field who will be responsible for distributing to their team.
