

Administrator Proof of CORI Verification Document

I have received a notarized CORI Acknowledgement form, or physically met with the adult named in this registration account and verified their personal information listed on their CORI Acknowledgement form according to the Risk Manager Responsibilities and Guidelines document.

- If verification was completed using a government issued photo ID other than a Massachusetts Driver's License, I have noted it on this form prior to uploading this document.
- If the adult did not use their legal first and last name, or added an inaccurate date of birth, this has been sent to the Mass Youth Soccer Association [CORI/Risk Administrator](#) to be updated and was updated prior to CORI Verifying this adult.

I will destroy the CORI Acknowledgement form according to the Commonwealth of Mass guidelines (burn or shred).

I DECLARE UNDER PENALTY OF PERJURY UNDER THE COMMONWEALTH OF MASSACHUSETTS THAT THE FOREGOING IS TRUE AND CORRECT
