

Adult Registration Help Guide - **RETURNING USER**

Thank you for participating with Mass Youth Soccer!

- Under *Commonwealth of Massachusetts Law*, all persons aged 18 and older who may have the opportunity to have direct and unmonitored access to children are required to be CORI Approved prior to working with children.

- Under *U.S. Soccer/Mass Youth Soccer Policies*, all adult participants are required to have a national background check, which includes both state & national sex offender registry checks and are also required to complete concussion training bi-annually.
 - ◆ All background checks are initiated when completing your annual Mass Youth Soccer adult registration

- Under *Federal Law*, adult participants must take SafeSport Abuse Prevention training annually.
 - ◆ See [Mass Youth Soccer Registration Process webpage](#) for more information on these requirements.

- **All soccer related accounts/registrations should be completed using the same first and last name and email address;** this will ensure proper integration of systems, auto approval/verification of training requirements when possible, and reduce the likelihood of duplicate accounts.
 - ◆ If a **shortened version of your name is in U.S. Soccer Connect** contact your organizations Risk Manager for updating; don't create a new account.

REMEMBER:

- Your CORI background check is completed and processed upon registering. CORI Verification is a separate and different process.

Your organization's Risk Manager will verify your personal information (CORI Verification).

- The CORI Verification is a one-time event unless you legally change your name.
- You will be required to show the CORI Acknowledgement Form, along with a government issued photo ID, **OR**
- Provide a notarized CORI Acknowledgement Form for verification purposes.
