

Center for Disease Control (CDC) Concussion Training Instructions

Concussion Training Policy:

Mass Youth Soccer has a two-year approval policy for concussion training. If you completed your training June 1st or later of the prior year you are registering into, you are in fulfillment of the Mass Youth Soccer policy of two years. *For example: for coaches/volunteers in the Fall 2021-Spring 2022 season, training must have been completed June 1, 2020, or later.*

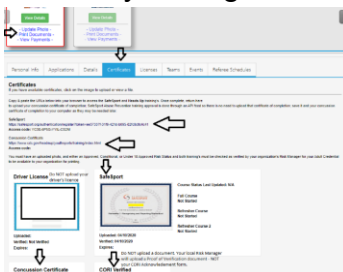

→ Your organization may have a one-year approval policy: it is your responsibility to check with your organization's Risk Manager.

How to Complete the CDC Training & Upload Your Certificate:

1. Log into your [U.S. Soccer Connect account](#), click "My Account" and then select the "Certificates" tab.

2. On the certificate page, you will find a link to the [CDC TRAIN Help Guide](#). This guide provides instructions on how to create an account and the link to take the Coaches Version of the course.
3. Once you have completed the concussion training you are required to upload your certificate of completion:
 - a. Log into your [U.S. Soccer Connect account](#), click "My Account" and select the "Certificates" tab.
4. Click on "Concussion Certificate" and upload your Certificate of Completion.
5. Contact your organization's Risk Manager so they can verify your certificate.

NOTE: you will not see an expiration date in your adult registration account for training. The expiration date is based on the policy information noted above.

If you see a cloud with an upload arrow, it is time to take/retake that training.

If you see a check mark and 'verified,' you are in compliance for this registration year.

If you are unsure how to proceed or need assistance, contact your organization's Risk Manager.

For CDC Concussion Training Support: please contact the
CDC TRAIN Administrator (TRAIN@cdc.gov).
