

GOALS Coach Job Description

The GOALS Program is the Mass Youth Soccer initiative to bring the beautiful game of soccer to the inner-city areas of Boston, Lawrence, Springfield etc. We work in partnership with Boys and Girls Clubs, YMCAs and Community Centers. The Camp is free of charge for every child who attends. Last year we were unable to run the program due to COVID-19. In 2019 we had 32 sites, each site determined the amount of weeks and the days and times of the camps. Some have 6 weeks of camp, others have 3 weeks, and a few have 2 weeks. We will hope to have 10-14 sites enrolled for the summer of 2022. All our programs are part of existing day camps.

Players:

The players are children between the ages of 6-13 years old, and many of them with very little or no soccer exposure. You will only work with a group of players for no more than one hour then you will get another group the next hour. The groups will vary from 8 -25. In most cases, you will pair up with another coach, plus the site will have their own camp counselors assisting you.

Work and Time:

Once we have all the sites' weeks/times for the camps, a schedule will be sent to all of the coaches to select the site, times and weeks they would like to work. Many of you would like to work all 6 weeks, some only 5 weeks and a few only between 2-3 weeks. The amount of work you want is up to you. Once you have picked weeks /times, you must commit to them. The scheduling will be made on a first come, first served basis. We will do our best to accommodate your needs.
