

How to Manage Sports Connect Account

How to:

- Verify registration history, risk status and risk expiration date
- Update personal information
- Find required training links and check validity of trainings
- Print your CORI Acknowledgement Form

1. Log into your [Sports Connect](#) account.
2. Click on the applications tab located under your photo; there you will see your Registration/Season History, Risk Status and Risk Status Expire Date.
 - a. Nothing visible, click on “SHOW PAST APPS”.
3. To update your personal information, click on the info tab under your photo.
 - a. For an incorrect name or date of birth email CORI@mayouthsoccer.org for updating.
4. To find the SafeSport and concussion required training links click on the certificates tab under your photo.
 - a. If you see a check mark and a verified date or an uploaded document and a verified date in that requirement upload field, you are good for that requirement for this registration year; no action is needed by you unless your organization informs you otherwise.
 - b. If you see a cloud with an upload arrow, you need to complete the requirement for that upload field.
5. To print your CORI Acknowledgement form, click on the print documents link under your photo or under the applications tab. Follow the Adult/CORI Registration line to the Receipt & Forms link; click link to print.
