

How to Print CORI Acknowledgement

Step 1: Navigate to your club's (Stack/Connect) website and log into your Member Account (Upper right corner).

The screenshot shows the homepage of the Boston Area Youth Soccer League. At the top left are the USA Soccer and Massachusetts State Association logos. The main header reads "BOSTON AREA YOUTH SOCCER LEAGUE" with a "Member Login" button on the right. A red navigation bar contains the word "HOME". Below this is a white box titled "BAYS Board Member Registration 2019-2020" containing a "Register Now" button with a green checkmark icon. A link to a "Troubleshooting Guide" is provided below the registration box.

Step 2: From the Member Account home page, click on the icon labeled “CORI Acknowledgement” and select “Download”. This will automatically download a PDF document to your computer containing your Acknowledgement form.

The screenshot shows the "My Member Account" page. At the top right is a "Member Logout" button. Below the navigation bar are several action buttons: "Register Now", "View Team Assignments", "My Registrations", "Change My Password", and "Add A Family Member". The "Member Profiles" section features a profile for "Ernie xTest" with an "Edit Member Information" link. Under "Coaching Documents", there are four items: "Concussion Training Certification" (Learn More), "Abuse Prevention Certificate" (Begin Training), "Safety/Additional Certification" (Upload), and "CORI Acknowledgement" (Download, which is checked). At the bottom, it shows "Background Check: 4046138 - Not Cleared" and "ICORI: None".
