Using a Coupon Code

To use a coupon code, log into Absorb and go to the **Catalog** and select the course. Courses for free will indicate you can enroll in them by hitting the Enroll button. Coupons would apply to courses that have a cost.

Select the course associated with the coupon and add it to your cart. Click the cart icon (upper right corner of the screen) and click **View Shopping Cart**. Enter the coupon code in the box marked **Coupon Code** and hit **Apply**. The coupon will reduce the cost of the course based on the coupon value. Proceed to checkout to finish the transaction.
