

**Massachusetts Youth Soccer
Return to Soccer Activity Review and Compliance Waiver**

The undersigned, on behalf of the player identified below, hereby represents, warrants and acknowledges that I have read and understand my responsibilities as a Parent/Guardian according to the [Massachusetts Youth Soccer COVID 19 Soccer Protocols](#) prior to participating in any town program, club, or league soccer related activities. This includes, but is not limited to, individual or team practices, clinics, training, games, tournaments, meetings or classes.

I attest that the information I am providing is true and accurate. Prior to bringing my player to participate in any soccer related activities that they have not experienced any of the following symptoms within the last 48 hours: *(please place an X in each box to indicate you have read.)*

- Fever (over 100.4 degrees fahrenheit) - temperature must be taken before each practice/game.
- Cough
- Shortness of breath, or difficulty breathing
- Chills
- Muscle aches
- Sore throat
- Loss of smell or taste, or a change in taste
- Nausea, vomiting or diarrhea
- Headache
- Fatigue

Place an X in each box below indicating you have read and acknowledged each of the following statements as being true and correct:

- The player has not been in close contact with anyone who has exhibited symptoms of COVID-19 in the last 10 days.
- The player has not had contact with anyone who has had a confirmed case of COVID-19 in the last 10 days.
- The player is not restricted from participating by a healthcare provider.
- The player has not traveled in the past 10 days or is not subject to quarantine by the Commonwealth of Massachusetts travel advisory. If so, all of the necessary steps required by the advisory will be completed by the player prior to returning to soccer related activities.

- The player has not recently traveled to a restricted area that is under a level 2, 3 or 4 travel advisory according to the U.S. State Department.

Face Mask Exemption:

Applies only to individuals with a documented medical condition or disability that makes them unable to wear a face covering. A facial covering means a face mask or cloth facial covering that completely covers the nose and mouth. Participants for all sports must wear facial coverings on the bench or sidelines at all times and in any huddles or time-outs from active play.

- I am able to provide documentation for the player's medical condition or disability that applies to the exemption as stated above.

If at any time you are unable to confirm the above criteria, the player must be restricted from participation and should contact their healthcare provider.

I understand that any falsification or omission of the information provided above, could result in disqualification from participating in any Massachusetts Youth Soccer Association sanctioned soccer related activity for no less than a year.
